**1. Purpose**

KSC1 versions packaging change.

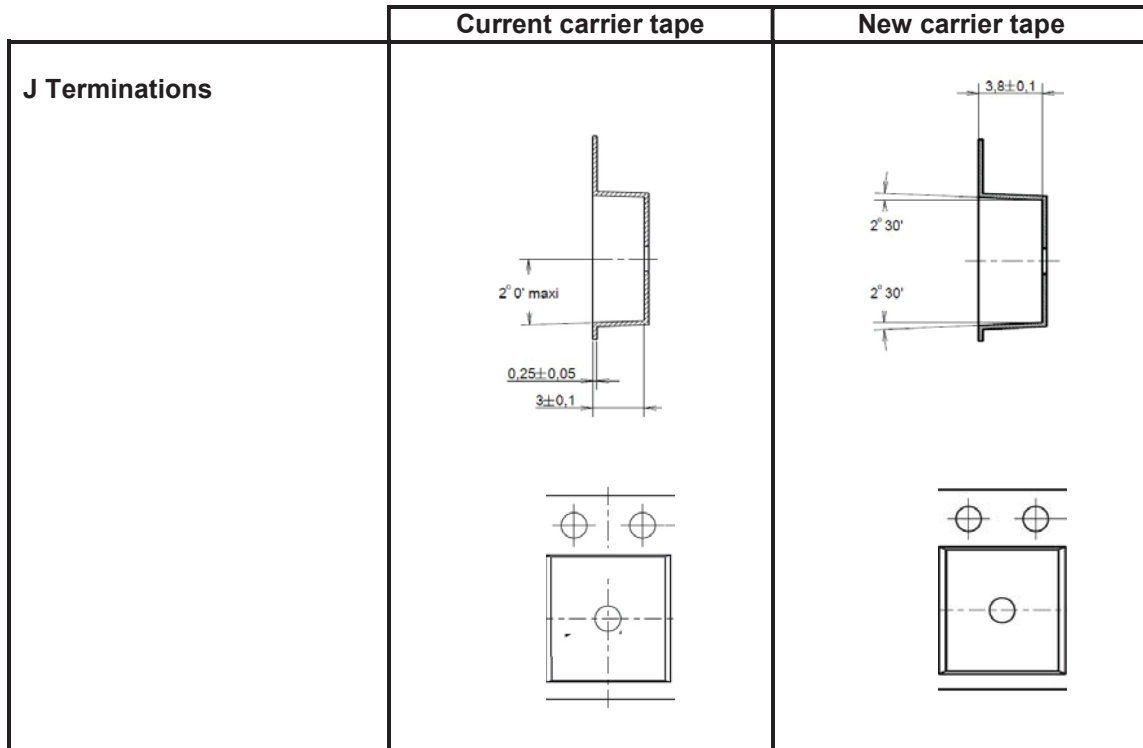

**2. Overview**

Replacement of the carrier tapes of KSC1 series for G & J versions.  
Standardization with KSC2 & KSC3 series

**3. Impact of Change**

- 3.1 Impact of Change:
- No change in the switch itself
  - No change of the reels
  - No change of the width of the carrier tapes
  - No change of the cover tape
  - No changes of quantities per reel
  - Only the pockets of the carrier tapes are concerned: Depths are more important.

	Current carrier tape	New carrier tape
<b>G Terminations</b>		

3.2 Qualification: Validation of the new carrier tapes by C&K.
