PCN EIC-1111 LDA serie selected parts

Detailed Description of Change

As part of the Littelfuse IXYS Integrated Circuits Division's (ICD) product lifecycle-management process, the following products have been transitioned to an "end-of-life" (EOL) status:

LDA101	LDA110	LDA201	LDA203	LDA211	LDA213
LDA101S	LDA110S	LDA201S	LDA203S	LDA211S	LDA213S
LDA101STR	LDA110STR	LDA201STR	LDA203STR	LDA211STR	LDA213STR
LDA102	LDA200	LDA202	LDA210	LDA212	
LDA102S	LDA200S	LDA202S	LDA210S	LDA212S	
LDA102STR	LDA200STR	LDA202STR	LDA210STR	LDA212STR	

In order to satisfy any continuing requirements for these parts, Littelfuse IXYS Integrated Circuits Division is offering a non-cancelable last time buy (LTB). Orders for LTB quantities must be received by **December 31, 2022**, and all LTB products must have shipment request dates by **January 31, 2023**. Acceptance of last time buy orders is subject to product availability and product lead time. Once placed, LTB orders cannot be cancelled, rescheduled, or returned. While we will endeavor to complete all last time buy requests, severe supply chain constraints may mean we do not manage to ship all requested quantities.

The PCN number assigned to this action is **PCN EIC-1111** and must be referenced in any correspondence related to the change.

If you have any other questions or concerns, please contact your local Littelfuse sales representative or Product Manager below for further assistance.
