

G3VM-31HR/101HR1 MOSFET Relays

MOSFET Relays with SPST-NO contacts and SOP 6-pin package!

New Product Introduction

FEATURES:

Features	Benefits
4A @ 30V AC peak/DC 2A @ 100V AC peak/DC	High switching capacity with SPST-NO
Low ON resistance	Small energy loss
Double switching current with connection C at DC load	Wide switching domain

APPLICATIONS:

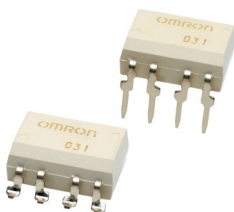

- Industrial Equipment
- HVAC Control
- Security Equipment
- Test Equipment
- Power Supply
