

MICRON_End of Life for Select SLC NAND and eMMC Parts

PCN: 34283

Published: 2021-12-17

Revision History:

REVISION 1, 2022-02-02: This revision supersedes the original PCN 34283 dated 2021-12-17.

PCN 34283 originally suggested in the Recommended Replacement field either "incompatible" or "Contact Sales Representative." To provide more clear direction:

- Where the Recommended Replacement field suggested the part listed was "incompatible," it now offers a possible replacement option. It is also suggested that you review the product datasheet for parameter changes or contact your Micron Sales/FAE representative.
- Where the Recommended Replacement field suggested to "Contact Sales Representative," it now suggests to "See Revision details above" which is the following: *It is suggested that you contact your Micron Sales/FAE representative to help identify and support the migration.*

No other changes have been made to the original PCN.

Type:	End of Life
Description:	<p>In an effort to maximize the manufacturing efficiency for Micron's NAND product line, and to better align with industry trends, Micron will discontinue select NAND and eMMC products.</p> <p>The recommended replacement part numbers stated might not be drop-in compatible with the EOL part numbers. Customers are advised to reach out to your Micron contact for further assistance.</p>
Reason:	Manufacturing Efficiency
Product Affected:	Select SLC NAND and eMMC products (M72A, M62B, M78A, M68M, M69A, M60A, J35A, J54U, J56X, J57X, J58X) listed below

Method of Identification: Marketing Part Number

Micron Sites Affected: All Sites

Last Purchase Date*: 2022-12-17

Last Shipment Date: 2023-12-27

Early placement of orders is encouraged as an increase in demand for this product could potentially exceed Micron's ability to meet all requests. All products from a previously accepted order that have not shipped as of the last-time purchase date will be considered non-cancelable and non-returnable. Changes to confirmed request dates will also require written approval by Micron. Should additional supply be available after the last-time purchase date, Micron may accept orders for product and such orders placed will be considered non-cancelable and non-returnable.

NOTE: Per JEDEC Standard JESD46-C Section 3.2.3; lack of acknowledgment of this PCN within 30 days constitutes acceptance of change.
