Subject: Product Discontinuance Notice: PDC14005

LSI is discontinuing all devices manufactured in the Gflx process technology due to extremely low demand volumes. While there are no direct replacements for the SAS products included in this notice, LSI recommends that customers migrate to our 6Gb/s or 12 Gb/s SAS products.

LSI Corporation will end of life the following products:

Please provide your LSI Sales Office with your lifetime Last Time Buy order requirements (LTB) for the above products no later than the date noted in the above table. These orders are non-cancelable, non-returnable and cannot be rescheduled. Orders received after the Last Time Order (LTO) date noted in the above table cannot be accepted. The last requested delivery date for these orders may not be later than the LTS date noted in the above table. Due to inherent variations in yields, LSI Corporation reserves the right to ship up to 5% under the original last time buy quantity, and this quantity will fully satisfy LSI Corporation's obligation to deliver that product under this last time buy agreement.

All last time buy orders must be placed based on LSI's minimum production lot size requirement per the above table. All prior commitments regarding LSI minimum order requirements do not apply to last time buy orders.

Please acknowledge receipt of this notification by either sending a reply to this email or by signing and faxing the acknowledgement below to Cindy Fisher at (970) 206-5549 by Mar 22, 2014. Regardless of receipt written acknowledgement, this notice is deemed effective upon issuance.
