**Last Time Ship Date:** 31-Dec-2021

### Revision Description:

Initial obsolescence of AD5816GBCDZ-RL7 and AD5816GBCDZ-RL

### Reason For Discontinuance

These were mostly a single customer product that was available on the open market. The lot sizes are very large (600k) but since we had large volumes going to the single customer it was Ok to sell smaller volumes to smaller customers. Our large customer has finished using the parts and stopped buying it in 2016. Small orders require us to make a large number of parts that we cant sell, using fab capacity we would prefer to use to make parts we can sell.

The customers for the small sample quantity have informed that they no longer require the parts. Disti has been informed we cannot support small requirements.

### Comments
