

Business Unit: HARTING Electronics **PCN/20/013/PM+MD-US**

Product range: M12 PCB Receptacles **Date:** 2020-10-28

Title: M12 D-code Angled PCB Receptacles **Page** 1/2

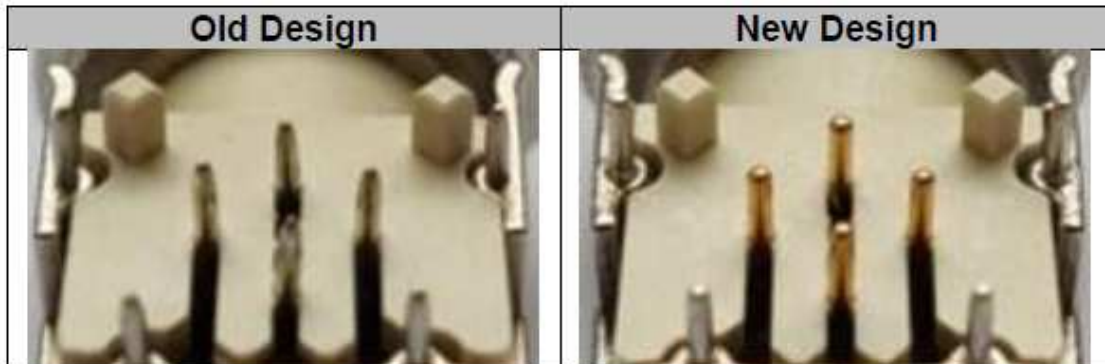

Details of the Product Changes

1. Affected Part Numbers

21033814410, 21033814411, 21033814412, 21033814413, 21033814416,
21033814417, 21033814430, 21033814431, 21033814432, 21033814433

2. Description of the Change

Replacement of the 2-piece contact design with 1-piece contact design. The new 1-piece contacts are gold plated while the old 2-piece design was nickel plated. This change has been implemented to achieve improved manufacturing process.

3. Impact on the Product Specification

This change does not have an impact on fit, form or function of the products. The footprint of the M12 PCB receptacles will remain unchanged.

4. Scheduled Date of Implementation

PCB receptacles with the new 1-piece contacts are scheduled to be released **December 2020**. Please consider that mixed shipments of variants with 1-piece and 2-piece contact design are possible for a short period of time.

5. Identification of Change

There will be a new revision level created for each part number.
